

How to Give to Mountainview

Bank Transfer in Spain:

Visit a local branch of your bank in Spain or use internet banking to set up a regular/one-off transfer into MV's bank account(s). We keep records of all transfers and on request will provide you with a certificate of giving that entitles those paying Spanish income taxes to a small deduction.

Mountainview Bank Account:	Lloyd's TSB, Serrano, Madrid
Mountainview International Church CIF:	R2801692A
Operational Account:	0106 0006 65 0006042864
Expansion Account:	0106 0006 63 0006042872

We encourage the MV community to tithe to the *Operational Account* (day-to-day expenses) and to *give* special donations (like a tithe on an annual bonus) towards the *Expansion Account* (capital purchases/facility development etc).

Christian Associates in the US:

US taxpayers might consider making donations to MV through Christian Associates. They are a registered non-profit in the US and will provide you with donor receipts.
